### Holiday Party and Private Wine Tasting in Princeton

Bringing holiday cheer and festive entertainment to the local Princeton community, Hamilton Jewelers held a public holiday party, complete with Santa and carolers. The weekend event included a special appearance by designer Eric Hilton of Steuben Glass, as well as representatives from Mikimoto, Pomellato and Temple St. Clair.

The event included a private Sandra Jordan wine tasting and wine decanting demonstration. Ms. Jordan was present for the event and clients had the unique opportunity to meet with her and receive a signed copy of her book, *The Art of Decanting*.
